In order to properly manage the promotion opportunities and proper career management in the AGR program, Colorado HRO force management policy considers an applicant's total active federal military service (TAFMS) as a factor in hiring. The organizational standard is >8 years for entry as an E7 or O4, >12 years for entry as an E8 or O5, and >16 years for entry as an E9 or O6. This is a baseline standard that may be waived on a case-by-case basis provided the waiver is in the best interest of the organization. If applicable, the selecting supervisor will seek a waiver on the applicant's behalf; applicants have no responsibility to seek a waiver to this policy.	Individuals selected for AGR tours must meet the Preventative Health Assessment (PHA)/physical qualifications outlined in AFI 48-123, Medical Examination and Standards. An applicant's military grade cannot exceed the maximum military authorized grade on the UMD for the AGR position. Enlisted Airment who are voluntarily assigned to a position which would cause an over-grade must indicate in writing a willingness to be administratively reduced in grade in accordance with AFI 36 2502, Enlisted Airman Promotion/Demotion Programs, when assigned to the position Acceptance of demotion must be in writing and included in the assignment application package
ANGI 36-101 "applicant must be able to complete 20 years of active federal service prior to MSD for officers and age 60 for enlisted members. Exceptions may be considered"	This vacancy announcement may be used to create an order of merit list (OML) from which additional like vacancies, with the same supervisor and same location, may be filled without further competition. Applicants may remain on this OML for up to 90 days.	Any further questions regarding the AGF program may be answered in ANGI 36-101.
