	RUCTIONS/INFORMATION FOR APPLICA	ANTS
Applicants must not be entitled to receive Federal military retired or retainer pay or Federal civil service annuities and not be eligible for immediate Federal civil service annuities.	Individuals who have been separated from other military services for cause, unsuitability, or fitness for military service are not eligible to enter the AGR program.	IAW ANGI 36-101 "Initial tours may not exceed 6 years" AGR tours may not extend beyond an Enlisted member's ETS or an Officer's MSD.
In order to properly manage the promotion opportunities and proper career management in the AGR program, Colorado HRO force management policy considers an applicant's total active federal military service (TAFMS) as a factor in hiring. The organizational standard is >8 years for entry as an E7 or O4, >12 years for entry as an E8 or O5, and >16 years for entry as an E9 or O6. This is a baseline standard that may be waived on a case-by-case basis provided the waiver is in the best interest of the organization. If applicable, the selecting supervisor will seek a waiver on the applicant's behalf; applicants have no responsibility to seek a waiver to this policy.	Individuals selected for AGR tours must meet the Preventative Health Assessment (PHA)/physical qualifications outlined in AFI 48-123, <i>Medical</i> <i>Examination and Standards</i> . They must also be current in all Individual Medical Readiness (IMR) requirements to include immunizations. RCPHA/PHA and dental must be conducted not more than 12 months prior to entry on AGR duty and an HIV test must be completed not more than six months prior to the start date of the AGR tour. Individuals transferring from Title 10 (Regular Air Force or Reserve Component Title 10 Statutory Tour) are not required to have a new physical unless the previous physical is over 12 months old at time of entry into AGR status.	An applicant's military grade cannot exceed the maximum military authorized grade on the UMD for the AGR position. Enlisted Airmen who are voluntarily assigned to a position which would cause an over-grade must indicate in writing a willingness to be administratively reduced in grade in accordance with AFI 36- 2502, <i>Enlisted Airman Promotion/Demotion</i> <i>Programs</i> , when assigned to the position. Acceptance of demotion must be in writing and included in the assignment application package.
ANGI 36-101 "applicant must be able to complete 20 years of active federal service prior to MSD for officers and age 60 for enlisted members. Exceptions may be considered"	This vacancy announcement may be used to create an order of merit list (OML) from which additional like vacancies may be filled without further competition. Applicants may remain on this OML for up to 90 days.	Any further questions regarding the AGR program may be answered in ANGI 36-101.
