BRIEF JOB DESCRIPTION:

- Performs deployment planning and execution activities and functions to include adaptive planning, Agile Combat Employment (ACE) planning, feasibility assessments, development of operational plan (OPLAN) logistics annexes, and preparation, programming, and support assessments and requirements for contingency and exercise plans. Prepares, evaluates, and implements all aspects of deployment planning, aircraft cargo and personnel dispersal, force sustainment, force recovery, materiel reconstitution, exercise planning & execution, and logistics support procedures for JRSO&I.

- Performs and directs deployment, employment, and JRSO&I command and control processes. Effectively manages logistics information about operational reach, and battlefield situational awareness, for functions such as transportation, supply, health services, maintenance, engineering, Services, and aircraft mobility. When assigned to an Installation Deployment Readiness Cell (IDRC), establishes and operates a logistics command and control center (i.e., Deployment Control Center (DCC)) to prepare for and supervise deployment and redeployment processes. Reviews planning processes, deployment taskings, inputs, extracts, and interprets data in automated information systems which include, but are not limited to, Joint Operations Planning and Execution System (JOPES), Deliberate/Crisis Action Planning & Execution Segments (DCAPES), Logistics Module (LOGMOD), Single Mobility System (SMS), Airlift Integrated Interface (A2I), and Integrated Computerized Deployment System (ICODES). Assists in the establishment and management of combat force bed-down, emergency action messages, and mitigation procedures. Develops crisis action procedures in conjunction with other employed organizations; integrates force command and control with applicable functional area or interagency representatives.

- Staff member of the Installation Deployment Readiness Cell (IDRC). Manage all aspects of the steady-state, crisis, and exercise deployment operations (including Air Force Force Generation (AFFORGEN)) on behalf of the installation commander. Coordinates, hosts, and presents annual deployment process working groups (DPWGs), and quarterly unit deployment manager (UDM) meetings, and provides recurring deployment readiness briefings to commanders. Provides initial and recurring training for all installation and tenant unit UDMs and coordinates supplemental training requirements with public health, traffic management, air transportation, and force protection representatives according to mission command directives.
