DUTIES AND RESPONSIBILITIES

DUTIES and RESPONSIBILITIES:

Supervises, leads, plans, organizes, and directs all operations and readiness resource management activities within the unit and in support of MAJCOM/CE command staff mission requirements. Serves as lead in developing bed-down plans to house personnel, aircraft, and associated support functions during contingency operations at collocated or forward operating bases in deployed scenarios in support of HQ command staff augmentation requirements. Responsible for evaluating existing airfield pavements, lighting, navigational aids, markings and arresting systems. Solves complex problems by studying layout drawings, wiring and schematic drawings and by analyzing construction and operating characteristics.

Reviews and provides input to installation contingency plans. Develops and establishes operation and maintenance procedures to ensure maximum efficiency. Collaborates with engineering and environmental planning functions to prepare and execute CE programs, projects, and plans for the Unit and HQ PACAF units when requested and deployed. Performs project review to ensure coordination is accomplished with all appropriate agencies. Establishes public relations.

DUTIES and RESPONSIBILITIES (Cont'd):

SPECIALTY QUALIFICATIONS:

Experience in supervising and managing engineering resources functions and personnel. Ability to speak distinctly. Qualification to operate government vehicles. Experience in joint or combined engineering staff operations is very desirable. Must have extensive knowledge and application of algebra, geometry, and trigonometry. Global Positioning Systems (GPS) and Geographic Information System surveying (GIS) capability and Computer Aided Design (CAD) working ability. Enrollment in, or completion of the Senior NCO Academy Course is desired. Supervisory and inter-personal skills.

This is NOT an entry-level position. 3E571/MSgts will be considered.

Applicants must have a demonstrated record of leadership, be of high moral character and integrity and possess excellent interpersonal and communication skills. The ability to attain and maintain a TOP SECRET security clearance will be a condition of continued employment.

APPLICATION PROCEDURES

Interested applicants who meet the eligibility criteria listed in this announcement may apply by submitting the below listed documents to the location below. Complete applications must be received no later than 2359 on or before the closing date.
